Do your firm's personnel policies and practices protect you from sexual harassment suits?

SEXUAL HARASSMENT

IN THE WORKPLACE

Third Edition

A GUIDE TO THE LAW

RALPH H. BAXTER, JR.
—*AND*—
LYNNE C. HERMLE
ORRICK, HERRINGTON & SUTCLIFFE

Because sexual harassment is now treated as a sex discrimination problem, with the same legal protection under EEOC, courts must resolve harassment claims on a case-by-case basis. This leaves your company vulnerable to litigation at any moment—with consequences that can cost you in time, money, and employee morale.

Recently revised, this easy-to-follow handbook offers a comprehensive overview of all the major issues in sexual harassment claims including:

- ▷ What constitutes sexual harassment
- ▷ An employer's liability for supervisors, co-workers, and non-employees
- ▷ An employer's duty to investigate and take appropriate action
- ▷ EEOC guidelines on sex discrimination

This book gives you the most up-to-date information available on the developing legal standards, including case histories to help you understand the fine distinctions involved.

To order, call TOLL-FREE 1-800-332-1105, or FAX your order to 212-645-8689.
